**Read the following passage and answer the given questions (5)**

**Save Our Trees**

There was a forest near the village where Vignesh and Vinoo lived with their sister Meera. The children loved spending their time in the forest which was full of trees, flowers and fruits. There were many animals like rabbits, deer, squirrels, some monkeys and lots of birds. The children of the village enjoyed going to the school.

One day while the children were still at school, they heard some sound from the forests. Soon they took permission from their teacher and ran out. When they reached the forest, they saw some men trying to cut down the trees.

Vinoo along with his brother Vignesh, sister Meera and other children rushed towards the men to stop them from cutting the trees. They just went and stood next to the trees and told them that the trees were friends who gave them fruits and shade. The men felt ashamed of themselves and went away.
