

Dear Parents and Students,

Hope everyone is fine and safe.

This is a challenging time for all of us and we are in a 'Do or Die' situation. As all of us are well aware of the fact that social distancing and quarantine are the best methods to arrest the wide spread of covid-19, my humble request to all of you is to strictly follow the instructions and orders of the government and health department, regarding the outbreak of novel corona virus round the clock. The days and weeks ahead are crucial in this regard and the carelessness of few can let the entire nation down. Let us do our bit to minimize and stop the spread of corona virus. Let us strictly follow the directives of the concerned authorities and be part of the fight against this virus.

The Corona virus pandemic has forced us to stay home. Let's turn this into an opportunity to learn new skills and spend time creatively. As it is important to slow down public movement and break the chain of the Corona virus spread, social distancing is a must. It becomes crucial for us to stay home for this time, however, just because you are sitting at home, it doesn't mean you cannot get any work done or learn anything new. Let us make use of the time the best way possible.

Instructions for children

As per the directives of Government of Maharashtra, the final exam for the academic year 2019-20 is cancelled for the classes 1 to 8 due to the outbreak of corona virus in the state. Students from classes LKG to VIII will be promoted to higher classes based on their aggregate marks during the year. Further details will be informed in due course.

Home assignments-classes I to VIII

Students shall solve the questions given to them and be ready to submit to the class teachers, as the school resumes classes. The question papers are uploaded in the website and the link will be sent to the parents through SMS. Students can use A4, Legal size paper or note books to solve the questions. Students shall be ready with the assignments by 15th of April.

Online class for X

The school is making some arrangements for starting online classes for X from Monday, where the students will be able to attend the class sitting at home. Students shall follow the instructions which will be sent through SMS. Details will be sent on Sunday and Trial class will be held on Monday from 10 to 11 am.
