

ALPHONSA SCHOOL, MIRAJ

Dear Parents and Students,

Circular. No. A-009/05-20

As lockdown restrictions are being extended due to Covid-19 and with the decreasing probability of resuming normal activities anytime soon, we are trying our level best to ensure that the wheels of learning keep moving for our students. For the last one month we have been focusing on Std X to cover the portions, as this academic year is very important for them. So far we are able to cover the main subjects of class X through online classes and educational videos.

As all of us are well aware of the fact that social distancing and quarantine are the best methods to arrest the widespread of covid-19. My humble request to all of you is to strictly follow the instructions and orders of the government and health department, regarding the outbreak of novel corona virus round the clock.

It becomes crucial for us to stay home this time, however, just because you are sitting at home, doesn't mean you cannot get any work done or learn anything new. Let us make the best possible use of time.

There is a possible danger of being caught up in the clutches of online games and become addicted, chances of changing the daily routine habits and becoming lazy and clumsy, sitting late night with electronic gadgets and getting up any time in the morning.

Here are some recommendations to engage children with learning. The class teachers of the academic year 2019-20 will be forming Whatsapp groups class wise and will be engaging children with daily home works, activities, different assignments etc. and will have a strict follow-up and monitoring of the group activities. From second week of June the new divisions will be allotted for the students who are promoted to the next class and we will proceed as the situation demands. Parents are requested to avail the facilities for the children to be active in the group.

Students shall compulsorily engage in the following activities during the lockdown period.

- ❖ English Newspaper reading
- ❖ Reading text books, story books etc.
- ❖ Daily writing of minimum two pages
- ❖ Completing the task given by the teachers on the group.
- ❖ Helping parents in their household chores.
- ❖ Engaging in some form of daily exercise.
- ❖ Practice yoga.

Students will be asked to give a report of these activities once the regular classes start.

Let us strictly and sincerely follow the directives of the concerned authorities and be part of the fight against this virus. Let us do our bit to minimize and stop the spread of corona virus.

Principal

Alphonsa School

Stay Home, Stay safe and Keep Learning.
